11th District Legislators Extend Office Hours

New Hours More Convenient for Constituents

Senator Sean Kean, Assemblyman Dave Rible, and Assemblywoman Mary Pat Angelini have announced that they have extended their legislative office hours until 7:00pm on Tuesday evenings.

“It can be difficult for residents who work normal business hours to make it into our office,” said Kean. “We have adjusted our office hours to better serve the needs of our constituents.”

“Our goal is to make our office as accessible as possible to the community,” said Rible. “Now, people have the option of visiting our office for help or visiting our website for additional information.”

The legislative office is available to provide assistance to citizens dealing with government agencies such as the Motor Vehicles Commission and the Division of Consumer Affairs. They also can assist with notary public applications, vital statistics, and homestead rebates.

“It is very important that we continue to have an open dialogue with our constituents,” said Angelini. “We hope that this adjustment in hours will make our office even more accessible for those who want to utilize our services.”

The 11th District legislative office is located at 1955 Route 34, Building 2A, in Wall Township. For more information please call 732-974-0400 or log on to www.njshoreteam.com.
