Dear Editor:

We would like to personally thank everyone who attended the public meeting in Ocean Township on February 27<sup>th</sup>. We recognize residents' frustration with certain rental properties and are committed to working with Ocean Township to provide relief to the affected neighborhoods. In addition, we are troubled by the allegations of mold and poor air quality in the local schools and are in the process of looking into this situation. Our office will be following up on these and the other issues that were discussed.

We were pleased to have the opportunity to listen to the questions and concerns that are important to the residents of Ocean Township.

As representatives of the 11<sup>th</sup> District, we are committed to improving the lives of the people of Monmouth County and we look forward to continuing an open dialogue with the public.

Please feel free to contact us at our office at 732-974-0400 if we can ever be of assistance.

Sincerely,

Sean T. Kean  
Senator, 11<sup>th</sup> District

David P. Rible
