Dear Editor:

We would like to thank everyone who attended the public meeting at Sea Girt Borough Hall on April 22, 2008 to support maintaining the Sea Girt National Guard Training Center. We greatly appreciate the public's sincere commitment to this cause and their signing of the petition to oppose the possible sale of this historic site. In addition, we realize the importance of keeping this site in its current state and the impact selling it would have on so many individuals and organizations that utilize this land. Clearly, the recreational and historical value of this property demands our involvement.

We were pleased to have had the opportunity to listen to the concerns regarding this issue and to also have been provided the chance to gain insight from the community.

As representatives of the 11th District, we are committed to improving the lives of the people of Monmouth County and we will continue to fight to keep the Sea Girt National Guard Training Center from being sold or leased.

Those wishing to sign the petition opposing the sale of this site can do so by visiting our legislative office which is located at 1955 Route 34 in Wall next to the Lukoil gas station. In addition, petitions may be picked up there by those who would like to circulate them among friends, family, and coworkers. Hopefully, with your help we will be successful in the fight to prevent any sale of the Sea Girt Training Center.

Please feel free to contact us at 732-974-0400 if we can ever be of assistance with this or any other matter.

Sincerely,

Sean T. Kean
Senator, 11th District

David P. Ribble
Assemblyman, 11th District
